Dear Dear Sir, Your letter of Sept  
27 has been delayed either on the way or at this  
office. The reason I have not answered you  
I heartily approve of your plan - I hope your  
lectures will soon be published - I trust they  
will do good - I have never entered in  
to the colonization plan - Still I do not  
think of opposing it - I regret that so much  
collecion has already taken place - I do not  
wish to go into a statement of my particular  
views - at this time - I most cheerfully  
subscribe your circular - I hope you  
will add my name to the list of your  
cler givers - I have not been able to  
see any of my brethren, since the receipt  
of yours - I know some of them are of  
our way of thinking on this subject.

I am Dear brother yours

Sincerely -

Walter Keene
